

Ingersoll Rand Forklift Part

Ingersoll Rand Forklift Parts - Ingersoll Rand provides products, solutions and services so as to ensure efficiency and increase the productivity within residential, industrial and commercial environments. They pride themselves in providing products to improve the comfort, security, health and safety of individuals all over the globe through their four worldwide segments.

The Climate Solutions sector provides a world-class product line of energy efficient HVACR solutions for customers. Thermo King is the leader in transport temperature control, while Hussmann is a manufacturer of refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, contracting and building parts support, advanced controls and services utilized for both commercial buildings and residential homes.

The Industrial Technologies sector of Ingersoll Rand provides products and solutions to improve operations, energy efficiency and productivity for their customers. The range of products in their line consist of: pumps and tools, and material fluid handling systems to complete compressed air systems. They have even developed Club Car, the international leader in utility and golf vehicles meant for businesses and individuals.

Trade names like for example Trane and Schlage provide residential solutions which provide safety, efficiency and comfort to home owners across North America. Their innovative products comprise mechanical and electronic locks, indoor air quality solutions, heating and air conditioning systems, remote home management, portable security systems and advanced controls.

The sector comprising Security Technologies offers products which ensure secure, safe and productive surroundings. This division's market leading products consist of floor and door closers, portable security devices, exit devices, electronic and biometric access control systems, cabinet hardware, steel doors and frames and locks, locksets and decorative hardware. Schlage also has products that offer time, attendance and personal scheduling systems.
