

Attachment for Nissan Forklifts

Nissan Forklift Attachments - Nissan prides itself on attaining complete customer fulfillment when their customer is enjoying one of their numerous trucks, cars or lift trucks. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to offering high value and detail-oriented quality values to their customers. Incorporating a prosperous heritage combined with strong processing principals, Nissan Forklifts supply many of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide wishes of their diverse client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to offering customer support, the company has four distinct production facilities that permit them to persistently adapt to their clients continually evolving desires by offering a variety of progressive ideas and concepts.

The Nissan Forklift North and South American base is located in Marengo, Illinois. A loyal team of 350 personnel is fully committed to the cooperation, design and manufacture of their products. Working under the ISO-9001 and ISO-14001 certifications, enables every sector of the Nissan Forklift Corporation to maintain environmental accountability by utilizing systems that reduce the global impact of their products and processes. These high standards remind consumers that Nissan operates under the quality seal that their consumers insist upon while being an environmentally conscious corporation.

Nissan is assured that they will be able to address any client queries or concerns. Always available through their website or by calling 800.871.LIFT, contacting one of their community sanctioned sellers or even visiting their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their hospitality and commitment.
