

Lull Telehandler Parts

Lull Telehandler Parts - Telehandlers by Lull have been providing load placement accuracy since 1959. The Lull telehandler can really help make the work faster and easier, whether the work requires landing loads on scaffoldings, transferring loads or positioning heavy steel. These units are available along with the patented Stabil-Trak stability system to ensure operator confidence.

The horizontal placement system by Lull could supply eighty inches of boom travel for precision placement functionality. There are even several optional Lull accessories for their telehandlers in order to help do any task.
